

Merge Sort

Log

Initial State

Chart

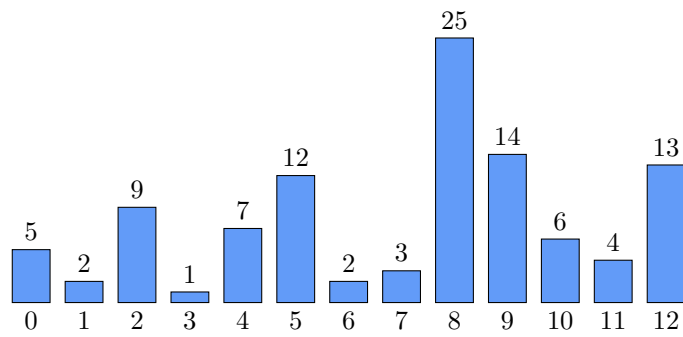

Merge Sort

Log

Recursively sorting the section from index 0 to 12.

Chart

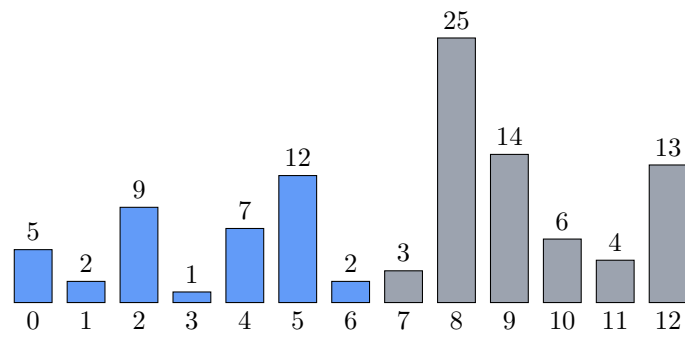

Merge Sort

Log

Recursively sorting the section from index 0 to 6.

Chart

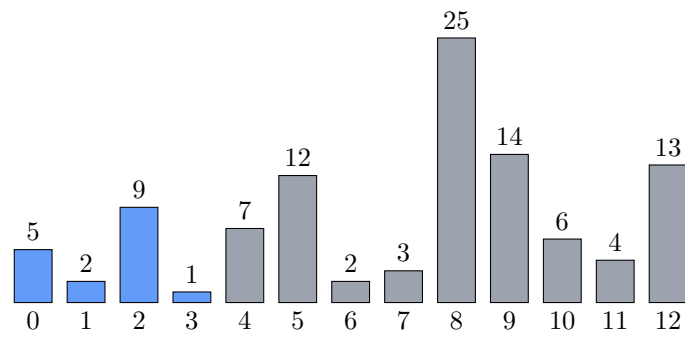

Merge Sort

Log

Recursively sorting the section from index 0 to 3.

Chart

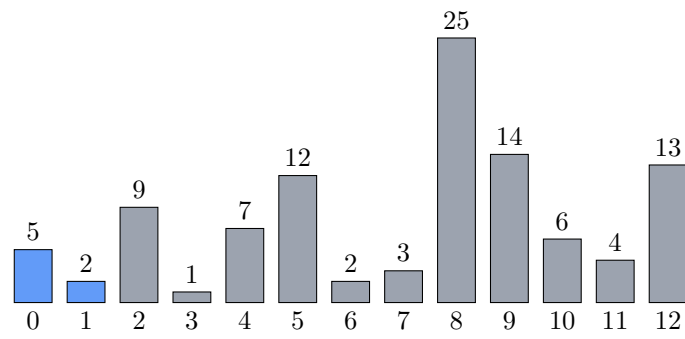

Merge Sort

Log

Recursively sorting the section from index 0 to 1.

Chart

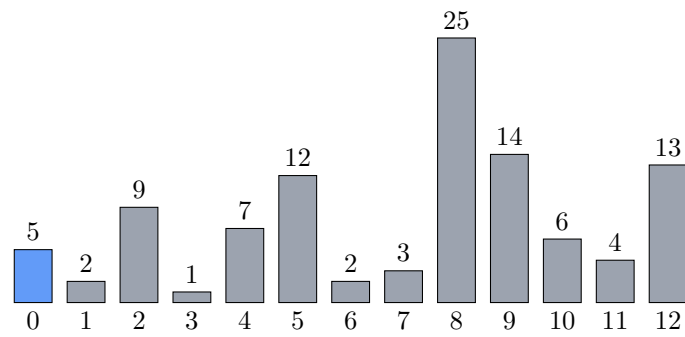

Merge Sort

Log

Recursively sorting the section from index 0 to 0.

Chart

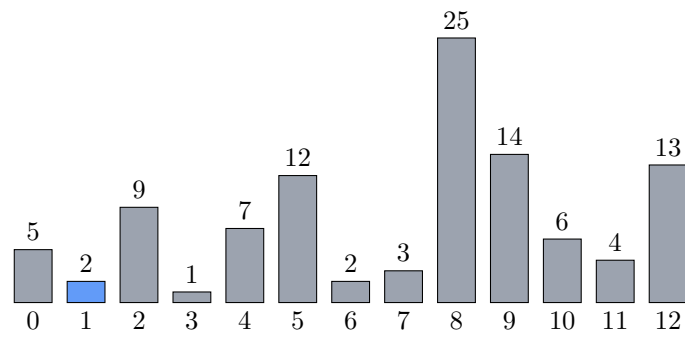

Merge Sort

Log

Recursively sorting the section from index 1 to 1.

Chart

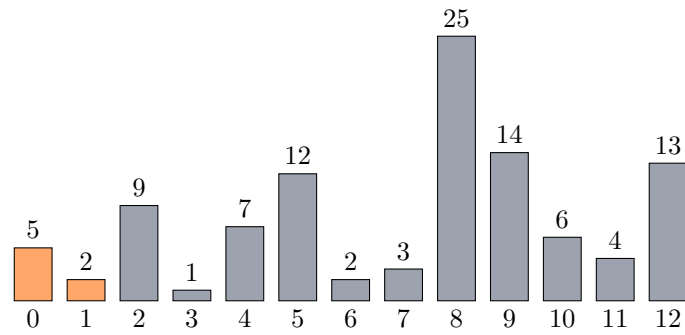

Merge Sort

Log

Both halves of the section from index 0 to 1 are sorted | combining them back together in order.

Chart

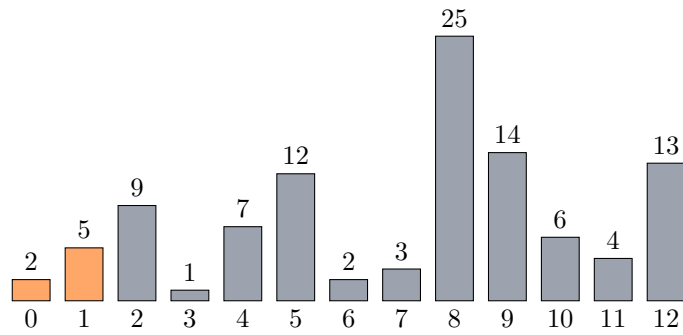

Merge Sort

Log

Both halves of the section from index 0 to 1 are sorted | combining them back together in order.

Chart

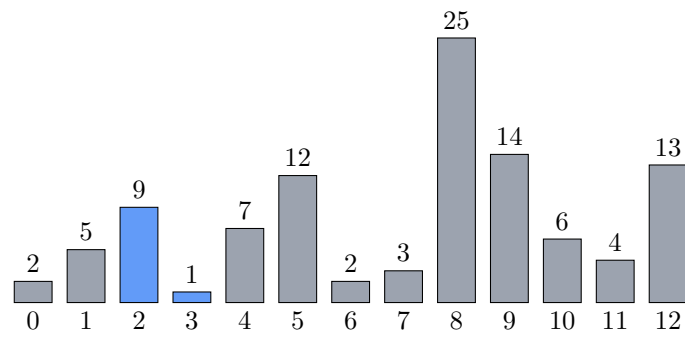

Merge Sort

Log

Recursively sorting the section from index 2 to 3.

Chart

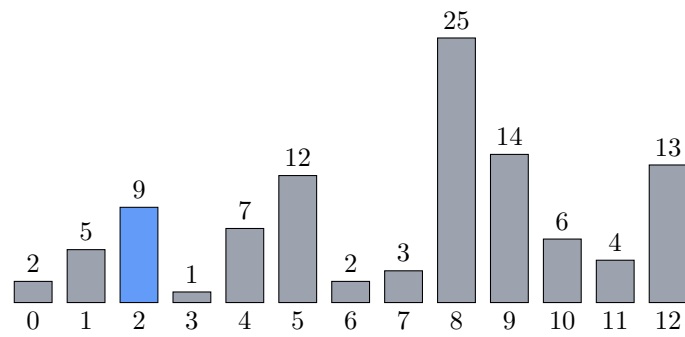

Merge Sort

Log

Recursively sorting the section from index 2 to 2.

Chart

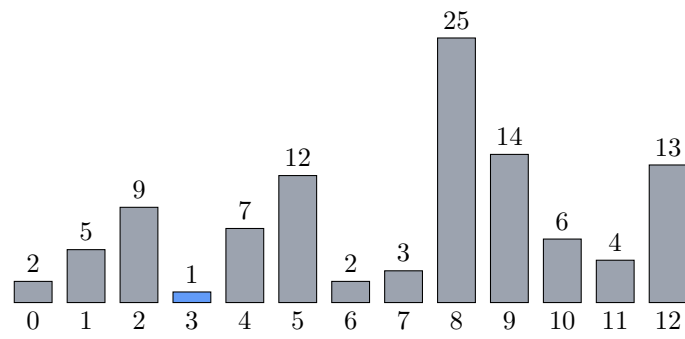

Merge Sort

Log

Recursively sorting the section from index 3 to 3.

Chart

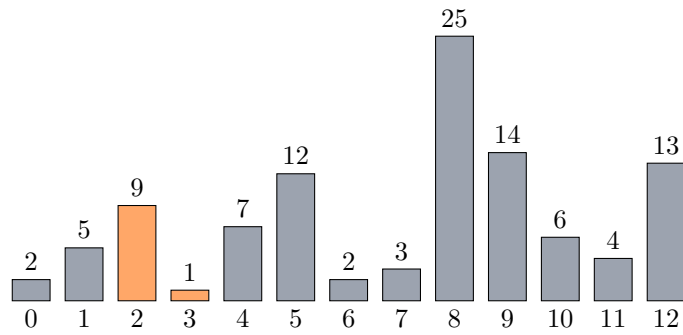

Merge Sort

Log

Both halves of the section from index 2 to 3 are sorted | combining them back together in order.

Chart

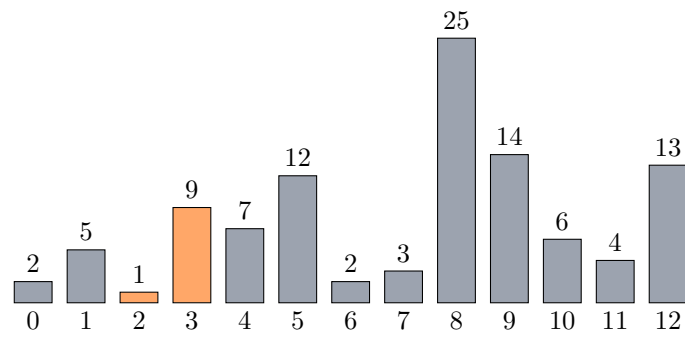

Merge Sort

Log

Both halves of the section from index 2 to 3 are sorted | combining them back together in order.

Chart

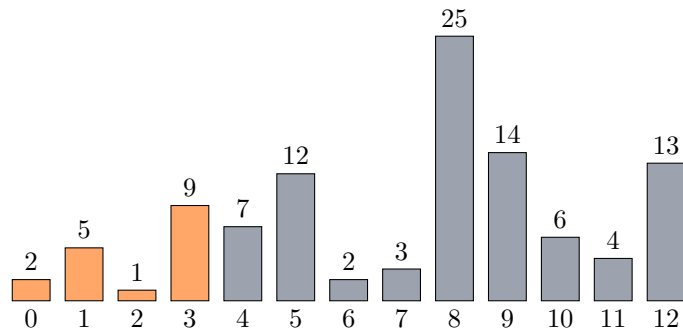

Merge Sort

Log

Both halves of the section from index 0 to 3 are sorted | combining them back together in order.

Chart

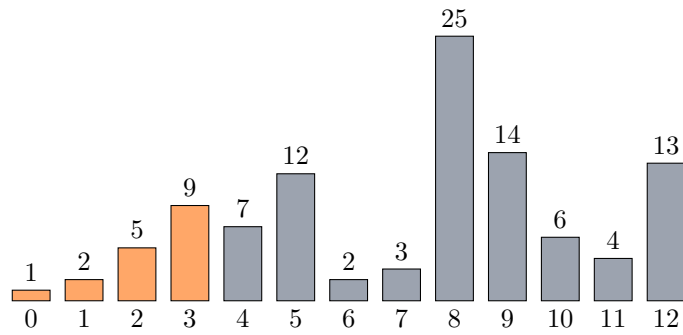

Merge Sort

Log

Both halves of the section from index 0 to 3 are sorted | combining them back together in order.

Chart

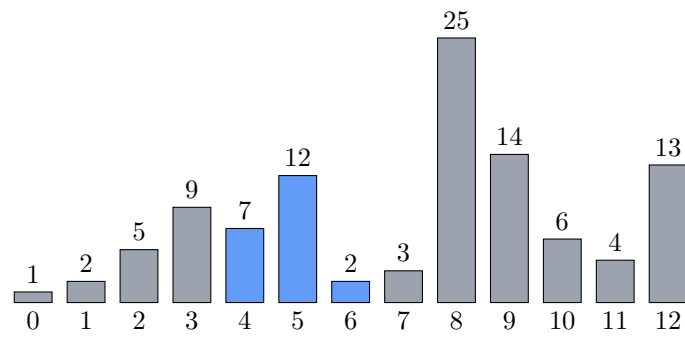

Merge Sort

Log

Recursively sorting the section from index 4 to 6.

Chart

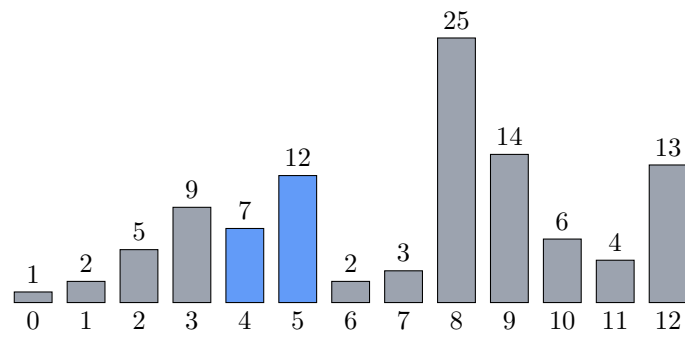

Merge Sort

Log

Recursively sorting the section from index 4 to 5.

Chart

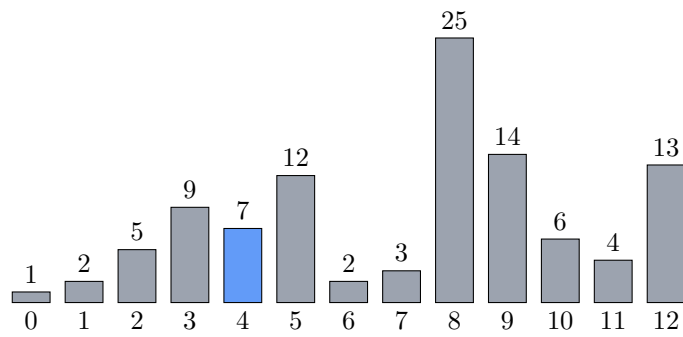

Merge Sort

Log

Recursively sorting the section from index 4 to 4.

Chart

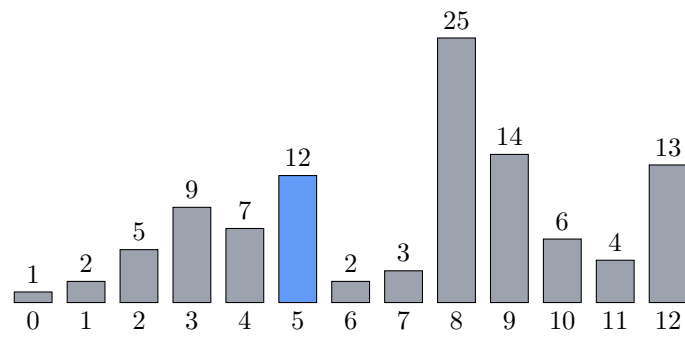

Merge Sort

Log

Recursively sorting the section from index 5 to 5.

Chart

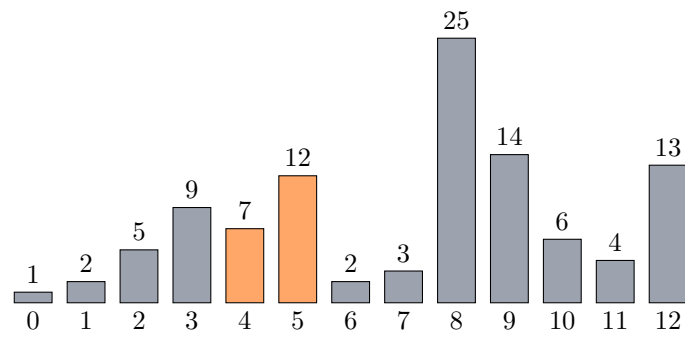

Merge Sort

Log

Both halves of the section from index 4 to 5 are sorted | combining them back together in order.

Chart

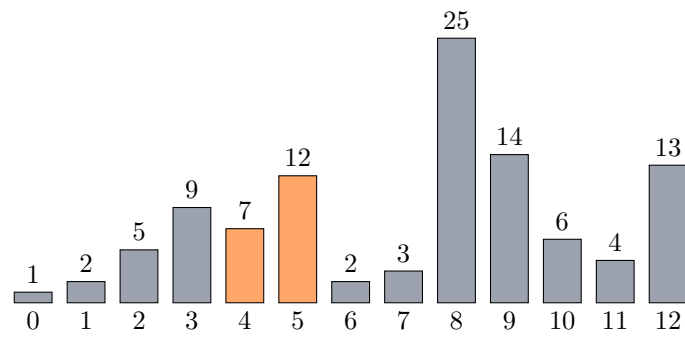

Merge Sort

Log

Both halves of the section from index 4 to 5 are sorted | combining them back together in order.

Chart

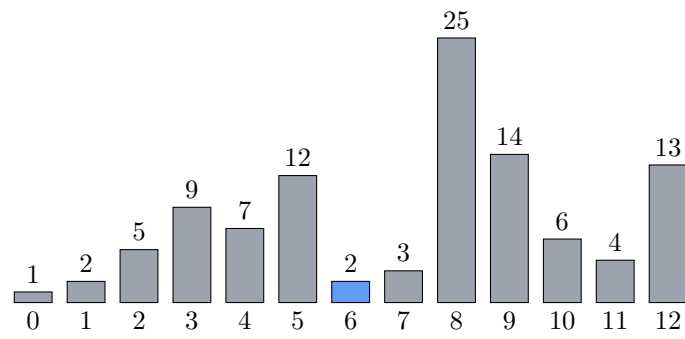

Merge Sort

Log

Recursively sorting the section from index 6 to 6.

Chart

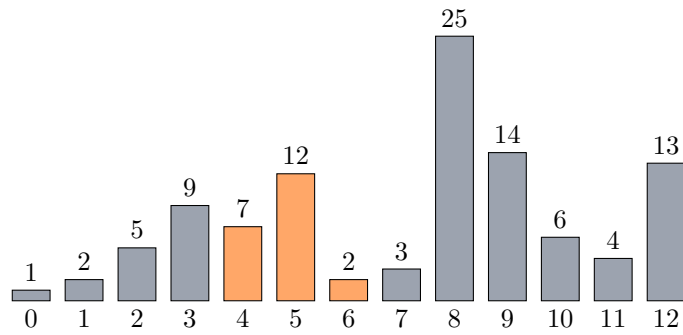

Merge Sort

Log

Both halves of the section from index 4 to 6 are sorted | combining them back together in order.

Chart

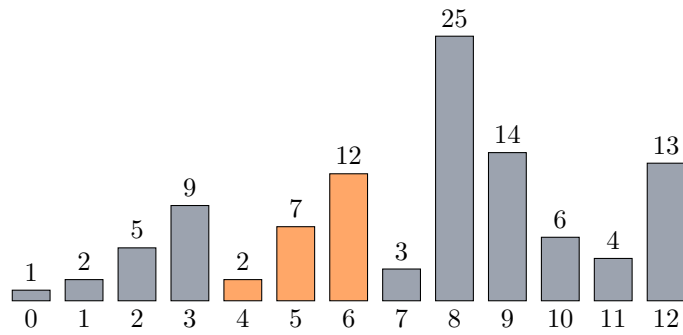

Merge Sort

Log

Both halves of the section from index 4 to 6 are sorted | combining them back together in order.

Chart

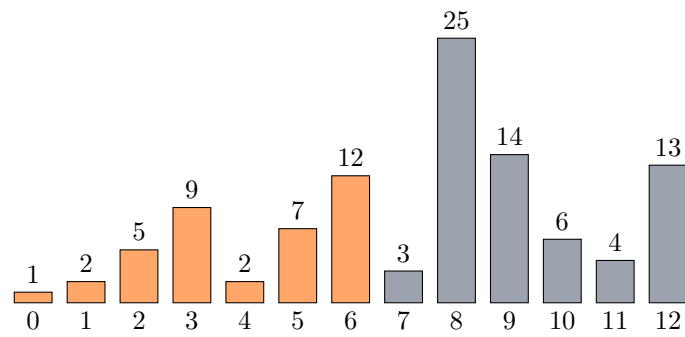

Merge Sort

Log

Both halves of the section from index 0 to 6 are sorted | combining them back together in order.

Chart

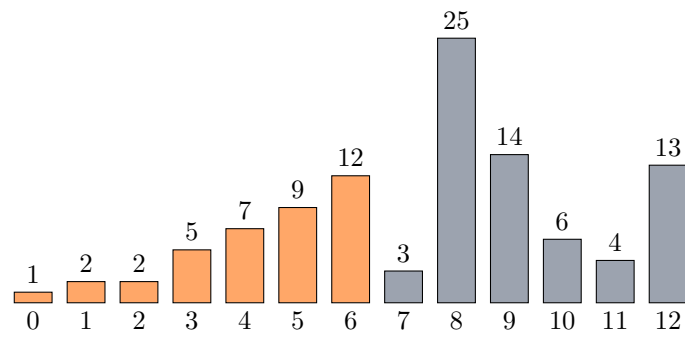

Merge Sort

Log

Both halves of the section from index 0 to 6 are sorted | combining them back together in order.

Chart

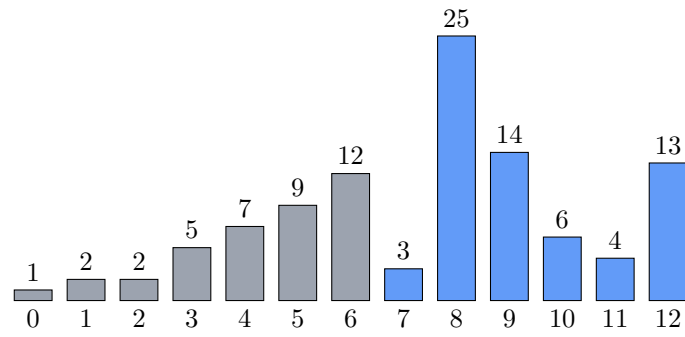

Merge Sort

Log

Recursively sorting the section from index 7 to 12.

Chart

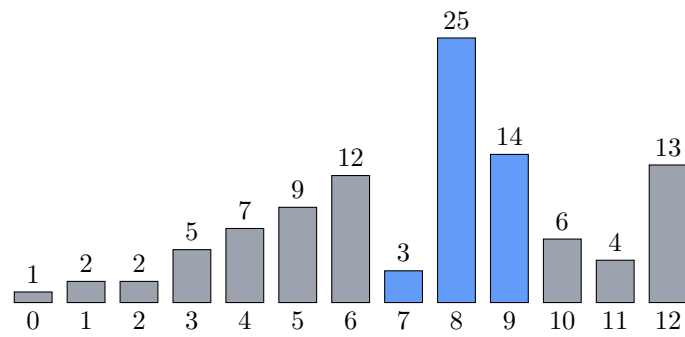

Merge Sort

Log

Recursively sorting the section from index 7 to 9.

Chart

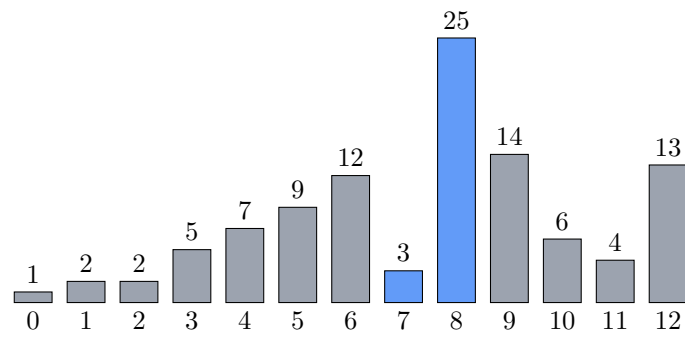

Merge Sort

Log

Recursively sorting the section from index 7 to 8.

Chart

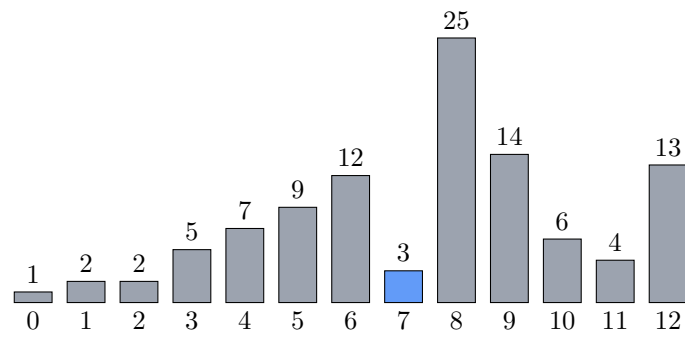

Merge Sort

Log

Recursively sorting the section from index 7 to 7.

Chart

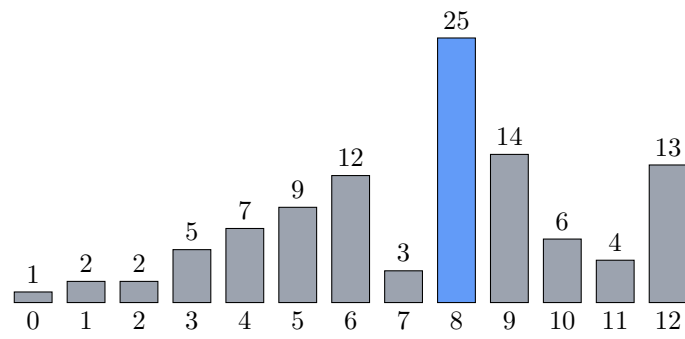

Merge Sort

Log

Recursively sorting the section from index 8 to 8.

Chart

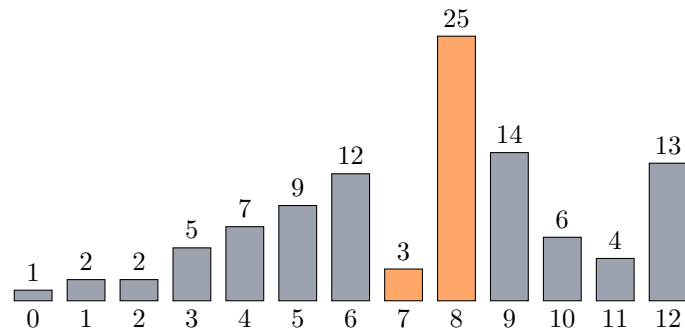

Merge Sort

Log

Both halves of the section from index 7 to 8 are sorted | combining them back together in order.

Chart

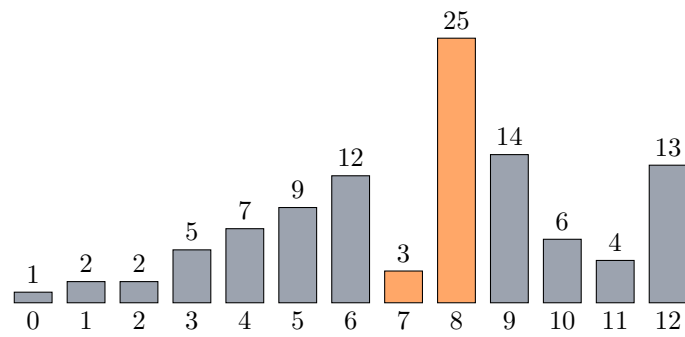

Merge Sort

Log

Both halves of the section from index 7 to 8 are sorted | combining them back together in order.

Chart

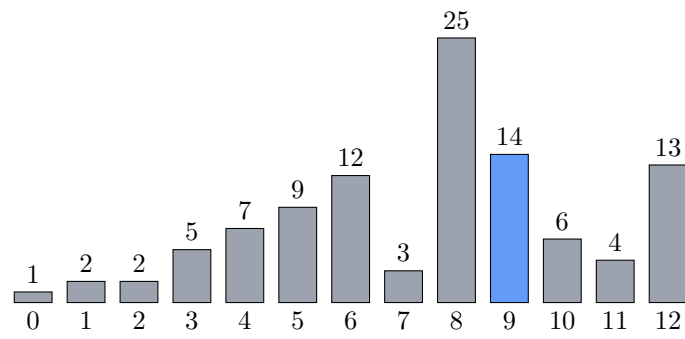

Merge Sort

Log

Recursively sorting the section from index 9 to 9.

Chart

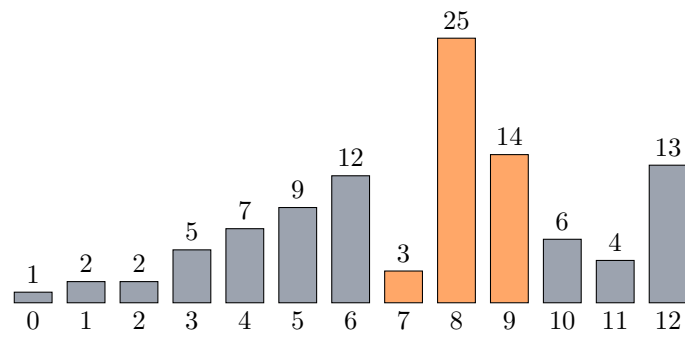

Merge Sort

Log

Both halves of the section from index 7 to 9 are sorted | combining them back together in order.

Chart

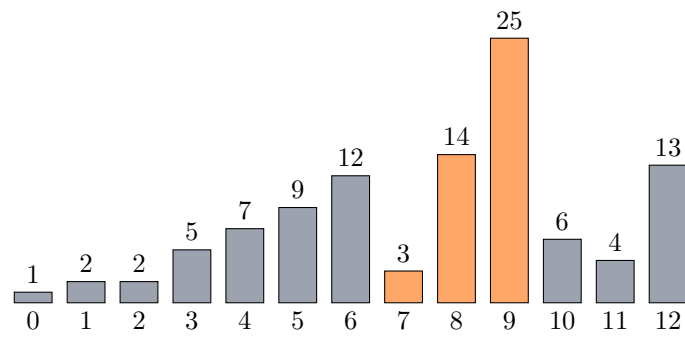

Merge Sort

Log

Both halves of the section from index 7 to 9 are sorted | combining them back together in order.

Chart

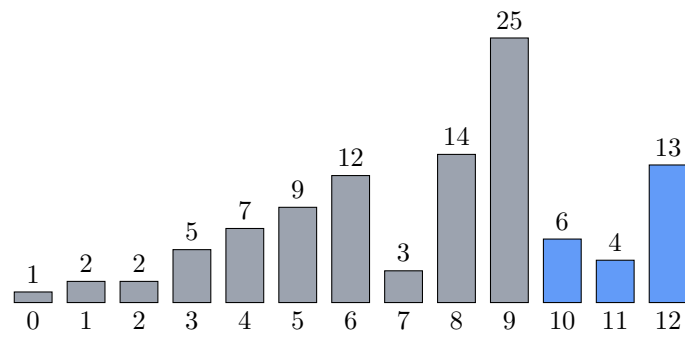

Merge Sort

Log

Recursively sorting the section from index 10 to 12.

Chart

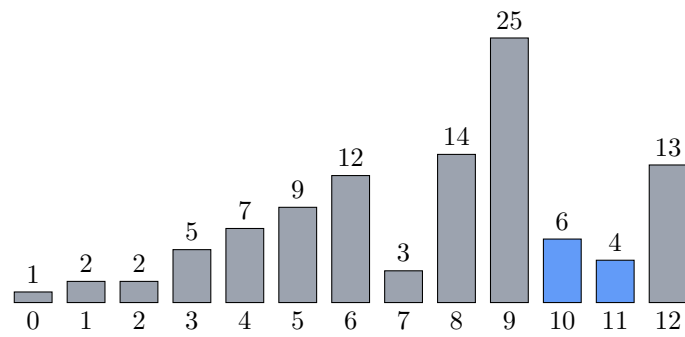

Merge Sort

Log

Recursively sorting the section from index 10 to 11.

Chart

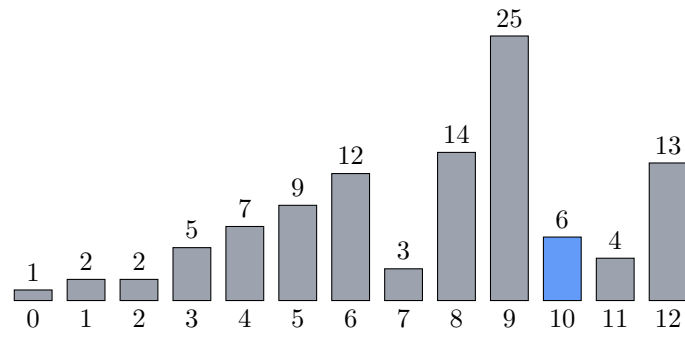

Merge Sort

Log

Recursively sorting the section from index 10 to 10.

Chart

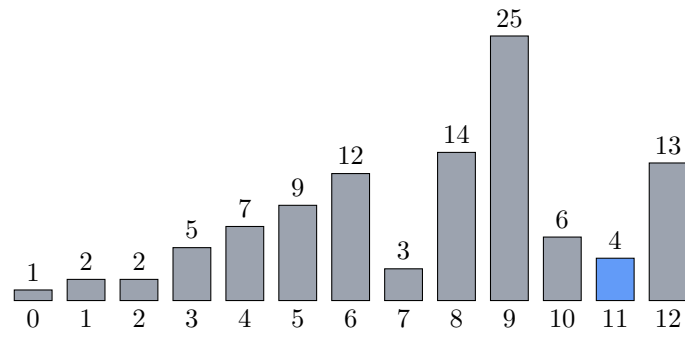

Merge Sort

Log

Recursively sorting the section from index 11 to 11.

Chart

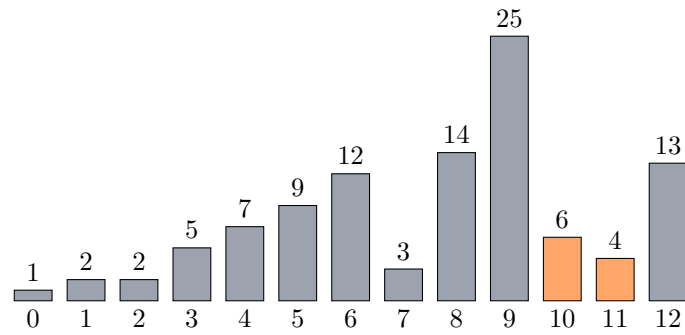

Merge Sort

Log

Both halves of the section from index 10 to 11 are sorted | combining them back together in order.

Chart

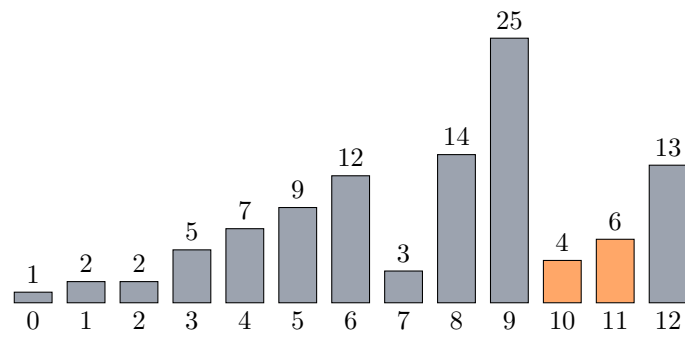

Merge Sort

Log

Both halves of the section from index 10 to 11 are sorted | combining them back together in order.

Chart

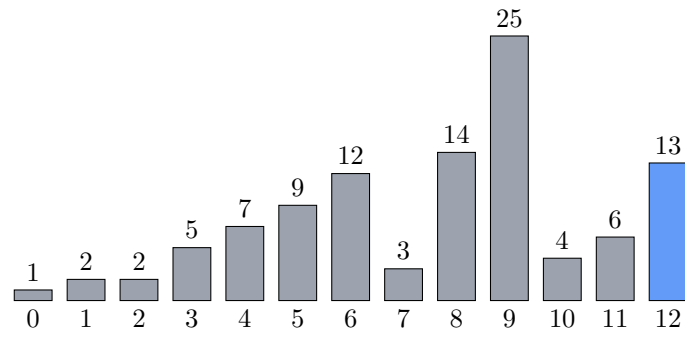

Merge Sort

Log

Recursively sorting the section from index 12 to 12.

Chart

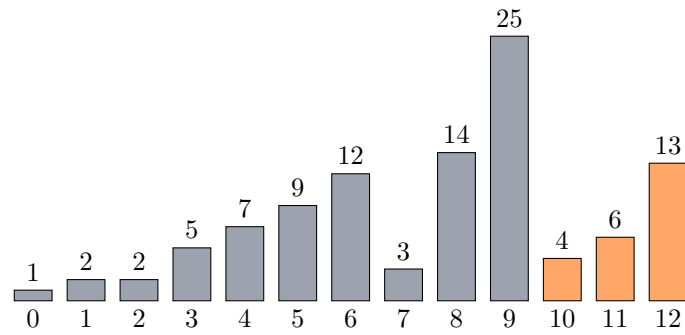

Merge Sort

Log

Both halves of the section from index 10 to 12 are sorted | combining them back together in order.

Chart

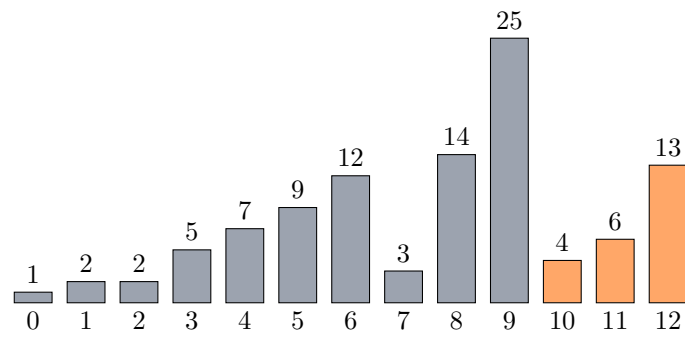

Merge Sort

Log

Both halves of the section from index 10 to 12 are sorted | combining them back together in order.

Chart

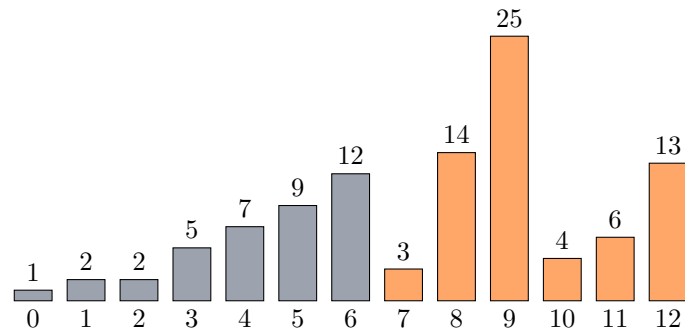

Merge Sort

Log

Both halves of the section from index 7 to 12 are sorted | combining them back together in order.

Chart

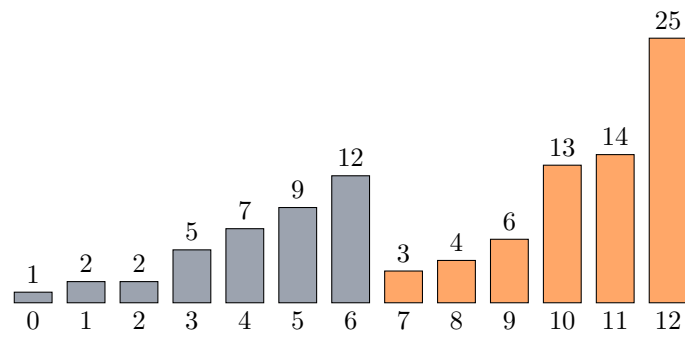

Merge Sort

Log

Both halves of the section from index 7 to 12 are sorted | combining them back together in order.

Chart

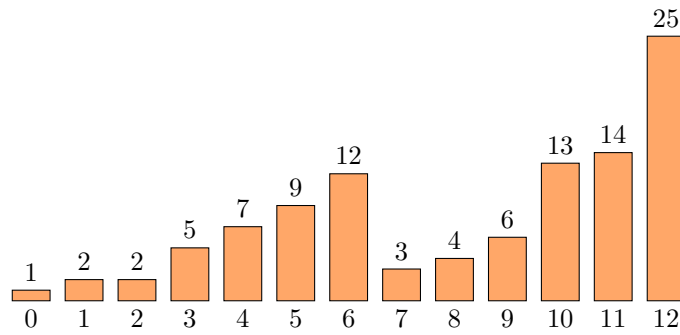

Merge Sort

Log

Both halves of the section from index 0 to 12 are sorted | combining them back together in order.

Chart

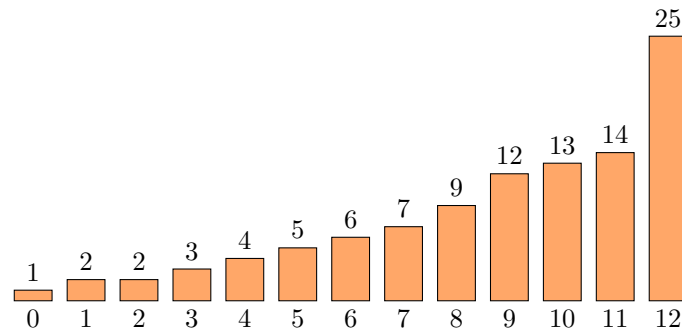

Merge Sort

Log

Both halves of the section from index 0 to 12 are sorted | combining them back together in order.

Chart

Merge Sort

Log

Every section has been merged back together | the array is fully sorted.
